Historic Excerpts

(Excerpts taken from "History of the Association of Midwest Fish and Game Commissioners" by Walter E. Scott, Secretary-Treasurer, Wisconsin, printed in the 1964 proceedings.)

The organizational meeting of the "Association of Midwest Fish and Game Commissioners" was held on October 28, 1934 in Des Moines, Iowa. I.T. Bode, of Iowa was instrumental in establishing this organization with the help of H.W. MacKenzie, Wisconsin, and Oscar Johnson, South Dakota. Those in attendance at that first meeting were:

IOWA - Dr. W.C. Boone, H.M. Sanderson, I.T. Bode, Arthur E. Rapp, Dennis H. Goeders, W.M. Rosene, Jas K. Stepp, C.P. Lechner

ILLINOIS - Stanley B. Locke

MINNESOTA - Charles McFarlane, E.V. Willard, John R. Foley

NEBRASKA - Frank O'Connell, Guy R. Spencer

NORTH DAKOTA - Thoralf Swenson, P.E. Collins

SOUTH DAKOTA - Oscar Johnson, Karl E. Mundt, Dr. H.E. Fankhauser, George F. Walters, W.F. Hughes, Frank Cundill, R. Ripple

WISCONSIN - H.W. MacKenzie

Dr. W.C. Boone was named the temporary Chairman, with H.M. Sanderson being named the temporary Secretary. The reason stated for the organization of the group was "the need for unified efforts in fish and game matters in the Midwest section of the country". Issues named included: waterfowl seasons and a national fisheries policy.

The Association has held a meeting every year since that first meeting (**Appendix A - Historic Location List**), but proceedings were not found for 1944, 1945 or 1946. Also, South Dakota, 1991 and Iowa, 1997, did not print proceedings however, there are some notes available for those two years.

The Association started in 1934 with eight original states: Iowa; Illinois; Minnesota; Nebraska; North Dakota; South Dakota; Wisconsin; and Missouri, however Missouri didn't send anyone to the meeting until 1935. The constitution and by-laws never outlined any specific states. Membership of states and provinces is reflected by the fact that they were assigned a Director on the Board and paid dues. As well as can be determined the additional seven states and provinces became members in the following years: Kansas (1940); Indiana (1942); Michigan (1943); Ohio (1945); Ontario and Manitoba (1948); Colorado (1949); Kentucky (1956); Oklahoma (1966); Saskatchewan (1966); and Arkansas (1971). Oklahoma withdrew in 1977 and Arkansas in 1995. Also, Saskatchewan quit in 1977, but started paying membership dues again, even though they don't send anyone to the meetings.

From 1934 to 1947 the general procedure was to have a President, a Vice-President (who generally becomes President the next year), and a Secretary/Treasurer.

In 1948 the Secretary was split out from the Treasurer and assigned by the President, usually from his own state. In 1972, the Secretary and Treasurer positions were combined. In 1974 the 2nd Vice-President was added and the Secretary/Treasurer position was split again and the President appointed the Secretary, usually from his own state. In 1987 the 2nd Vice-President was deleted, but the Past President was added and again the Secretary/Treasurer position was combined. Also there were two Director's-at-Large appointed making an Executive Committee of six members. The meeting is held in the President's state or province. (**Appendix B - Historic Officer Listing**)

According to the constitution, each state or province is represented by a member of the Board of Directors, either by one of the officers listed or a delegate named by the state or province. (**Appendix C - Historic Attendees List**)

Changes in Bylaws

- The original constitution and by-laws approved at the founder's meeting of 1934 and again in 1936 were not changed until 1942, when the requirement of attendance by a majority of commissioners was dropped, a single vote per state was allowed and time was specified for publicizing amendments to the constitution and by-laws.
- Another change was made at the 1944 meeting when the annual dues of member states were increased to \$10.00 from \$5.00 (although this formal change was not made until later).
- Major and final revisions were accomplished at the 1949 meeting when organization titles were brought up to date: the "Province" was included where "States" are mentioned; the Vice-President was included in the Board and duties of the Secretary-Treasurer were revised slightly.
- Dues were increased to \$20.00 by a vote in 1951 and changed again on July 8, 1954 and July 19, 1960 increased the annual membership dues to \$35.00. Changed the tenure of officers to a calendar year basis and more clearly spelled out the duties of the Secretary-Treasurer.
- On July 8, 1969 the by-laws were rewritten to include the changes from 1954 and 1960.
- In 1971 a By-Laws Committee was appointed: Carl Noren, Chair, Missouri; Harry R. Woodward, Colorado, Vice Chairman; Dr. Ken Doan, Manitoba; and Chuck Harris, Michigan. They discussed transferring the gavel after the annual meeting rather than January 1 and talked about an affiliation with the International Association of Fish and Wildlife Agencies.
- In 1972, the By-Laws Committee was changed, Ralph A. MacMullan, Michigan replaced Chuck Harris and R.C. Goulden, Manitoba replaced Dr. Ken Doan. A Second Vice-President was added with the term of the President and both Vice-Presidents' terms to be one year. The Secretary was appointed by the President and his term ran concurrent with the President. The Treasurer was elected by members and serves until replaced (which was nominated in 1973 and implemented in 1974). Also, added a section under membership to list the states that have membership in the Association. Kept the term of officers from January 1 through December 31 and added wording to the voting section to allow, secret ballots to be allowed. Added sections on what constitutes a quorum (2/3 of the membership) and rules on amendments and changed the name of the Association to "Association of Fish and Wildlife Commissioners".
- Between 1972 and 1975, removed the Bureau of Sport Fisheries and Wildlife to read "Fish and Wildlife Service".
- In 1977, Oklahoma and Saskatchewan formally withdrew from the Association. Discussed changing the term of office to begin 30 days after the annual meeting and changing the name of the organization to coincide with the International. Dues were increased to \$100 and the name was changed to "Association of Midwest Fish and Wildlife Agencies".
- In 1978 discussed removing Oklahoma as a member, corrected the name of the "U.S. Fish and Wildlife Service" added "National Marine Fisheries Service" to the Preamble and changed the tenure of officers to "30 days following adjournment of the annual Association meeting through 30 days following adjournment of the succeeding annual Association meeting". Discussed raising and providing a "kitty" of \$1,000 to the host state for the annual meeting, outside of the registration receipts.
- In 1980, added a sentence that reads: "The incumbent Secretary of each year shall record and compile 300 copies of the proceedings of that year. He shall forward 10 copies to each member in good standing with the cost of preparations and handling to be paid out of the Association's fund." Any other copies will be placed for sale. Added: "It is the intent of the Association that the costs of the annual meeting and related business functions, not to exceed \$500, may be paid by the Association.". Changed quorum to read "a simple majority" and added an amendment to read, "The Constitution and By-Laws of the Association may be amended at any regular meeting by affirmative vote of two-thirds of members in good standing . . ."
- In 1987, added three sections to the membership to cover termination of members, honorary members and professional organizations and added a fee of \$25 for affiliated memberships. Deleted the Second Vice-President and combined the Secretary-Treasurer. Added Article IX, to add three kinds of committees: Standing, Directors' Technical and Ad Hoc. Also, an Executive Committee composed of six members and an Audit Committee of three members.

- In 1993, changes were made to the Officers to state that the President and Vice-President shall be “nominated” instead of elected. Added a section to state that meetings are held in an alphabetical rotation, with the First Vice-President being from the state or province next in order of rotation and would automatically succeed to President the following year. Changes to membership read: “majority” instead of 2/3. Deleted Article III, Section 6, regarding duties of officers and moved it to Article I, Section 1, under officers. Under Article IV, “Meetings”, changed it to read that the meeting will be held in the host state or province of the President. Changed wording on Article IX on the committees, added Resolutions and Nominating/Awards Committees. Stated that within one year of establishment, each committee shall submit a Mission Statement and Technical Working Committees shall provide a written report to the President within 30 days in advance of annual meeting.
- In 1995, deleted Arkansas; added statement that the President: “shall record and compile proceedings of that year”, which was deleted from the Secretary-Treasurer’s responsibilities.
- In 1996, three changes were made, changed Director to “President” under committees section, clarified the responsibility of mailing the proceedings and increased the amount of money allowed to host states to \$1,000 annually and the number of proceedings sent to member states to five.
- In 2000, discussed name change to “Midwest Association of Fish and Wildlife Agencies”, discussed adding a fiscal year (new article VII and moved articles down), “The fiscal year of the Association shall be July 1 through June 30.”
- In 2001, officially changed name of Association in By-Laws and added the fiscal year; struck Colorado from membership, at their request; changed Executive Committee section to read that each state is allowed only one vote; increased the dues to \$300 for states and \$100 for provinces; and reduced numbers of copies sent out to three instead of five.
- In 2003, changed the term of office to “30 days following adjournment of the International Association of Fish and Wildlife Agencies’ (IAFWA) fall meeting and conclude thirty (30) days following adjournment of the succeeding fall IAFWA meeting.” Added Coordinator and Recording Secretary positions and listed responsibilities; raised fee for affiliate memberships to \$75; raised fees to help host state to \$2,500; reinstated Colorado, with no lapse in Association dues (paid missing years); and added Article XII, Parliamentary Authority.
- In 2004, allowed electronic mail and phone calls to conduct business in certain situations; clarification that the position of Coordinator is nonvoting (similar to Recording Secretary); eliminated the term “First” when referring to the position of the “First” Vice President; required Technical Working Committees to submit written reports electronically; required Technical Working Committees to submit an electronic copy of their reports to the Recording Secretary as well as the President; and created a new standing committee, the By-laws Committee.
- In 2005, clarified the responsibility for recording meeting minutes and producing proceedings; empowered the Executive Committee to act on behalf of the Association between meetings (with limitations); clarified the process and timeline for proposing resolutions; added one new Standing Committee, the Investments Committee; added two new Technical Working Committees, the National Conservation Need Committee and the Midwest Pheasant Study Group (whether listed in the by-laws or not, formal action is required to create/add these two groups); added a list of all official Technical Working Committees; and added a list of the dates of previous bylaws revisions.
- In 2006, provided for the designation of a voting proxy; established a “contributing” membership status; determined when and where both the Association and the Conservation Enhancement Fund were incorporated; has each official technical working group automatically sunset after 3 years (on a staggered basis) unless reinstated (on an arbitrary 3-year schedule, generally having two expire each year, starting 3 years from this summer); added information about the incorporation of the Association (when and where) and the tax status of the Conservation Enhancement Fund; created a Board of Directors for the Conservation Enhancement Fund (= Executive Committee plus one other member appointed by the President); made the Secretary/Treasurer a permanent member of the Investments Committee; clarified the “nominating” role of the Nominating/Awards Committee (eliminated the “nominating” part); and clarified the confusion between electing/nominating officers vs. following a rotation. (removed mention of “elected” – now says “selected”).
- In 2007, established the Wildlife Action Plan Technical Working Committee; added a short statement about the duties of the Awards Committee; added a short statement about the duties of the Audit Committee; updated the title of the Executive Director of AFWA; added the word “Wild” to the name of the Deer and Turkey Study Group; and changed the title of the Association’s Coordinator to “Executive Secretary”. **(Appendix D – Constitution and Current Bylaws)**

Dues History

Because dues for the first ten years were only \$5.00 for eight or nine states, and because dues frequently were not levied (and sometimes not paid) the treasury of May 29, 1939 totaled \$39.59; June 13, 1939, \$30.29; June 5, 1941, \$30.00; July 15, 1947, \$90.00 plus a possible South Dakota bank account of \$45.00; October 9, 1948, \$292.50; February 7, 1950, \$433.50; January, 1964, \$2,078.58; March 31, 1979, \$6,390.32; January 31, 1983, \$10,956.58, suspended dues for 1983; December 31, 1990, \$11,848.26; December 31, 1995, \$13,223.73; in 1996, received Jaschek donation, December 31, 1996, \$228,744.90; December 31, 2000, \$221,713.58; June 30, 2005, \$263,883.07; and June 30, 2007, \$232,496.24. Money from dues has been used to pay postage, print stationery, rent meeting rooms, pay coordinator salary and coordinator and recording secretary travel expenses and help defray the cost of preparing the proceedings of annual meetings. Frequently, states have taken care of all, or most, of these expenses so there was no drain on the Association's funds for ordinary operation costs of the annual meetings. Dues: 1934, \$5.00; 1944, \$10.00; 1951, \$20.00; 1960, \$35.00; 1977, \$100.00; and 2001, \$300.00 for states and remained \$100 for provinces. Added affiliate dues in 1987, \$25; and increased affiliate dues to \$75 in 2004.

Committee Projects

The first two years of the Association each member state was assigned a study project for the following meeting as a committee. These included such subjects as federal legislation, waterfowl, public hunting grounds and sanctuaries, federal fisheries programs, interstate cooperation, federal jurisdiction over game and fish on U.S. lands, economic value of the pheasant, soil conservation in relation to fish life and the restoration of shallow water lakes. Throughout the first nine years of the Association's life, one of its primary functions was the making of recommendations for the waterfowl season in an advisory capacity to the Biological Survey and U.S. Fish and Wildlife Service. Meetings were always held in June, but were held as late as October, and then moved to July. Waterfowl always has been a major subject for discussion along with states' rights, federal legislation and game and fish management administration. The general meeting procedure has been the presentation of several papers or talks which led to discussion. Several meetings have also successfully used discussion leaders on major topics without formal papers

Discussed Project Survey 1934-1964

Business action of the Association prior to 1964 was brief excerpts for consideration of resolutions. By way of other business, the group voted unanimously for a closed season on waterfowl in 1935 and gain for a closed season in 1936 by a 4 to 3 tally. As this was not unanimous, the resolution on that subject was "tampered" for greater support. In 1942 it was agreed to exchange P-R Quarterly Reports and in 1949 a committee for coordination between the states was formed.

Resolutions of early meetings were more critical of the policies of federal agencies, but that this criticism frequently changed to support with the federal agency's change in policy.

Attendance Notoriety

Attendance at these meetings by member states has been good, seldom more than three states have been absent from any one meeting. For the first four years Missouri did not have a representative even though they were a member, but they sent a person in 1935. The first federal service personnel to attend a meeting was in 1935, Ray C. Steele. Since then observers from federal agencies have been present at almost every meeting and frequently participate.

Participants who attended more than 10 years as of July 2007 include:

PREAMBLE

The name of this organization shall be the Midwest Association of Fish and Wildlife Agencies (Association). The Association shall be organized and operated as a non-profit professional association as described in 501(c)(6) of the U.S. Internal Revenue Code with the purpose of promoting the protection, preservation, restoration and management of fish and wildlife resources. The Conservation Enhancement Fund shall be organized and operated as a non-profit charitable organization as described in 501(c)3 of the U.S. Internal Revenue Code. The Association and the Conservation Enhancement Fund were incorporated in the State of Kansas on August 19, 2005.

The objectives of the Association shall be:

- (a) to protect the right of jurisdiction of the Midwestern states over their wildlife resources on public and private lands;
- (b) to scrutinize carefully state and federal wildlife legislation and regulations and to offer support or opposition to legislative proposals or federal regulations in accordance with the best interests of the Midwestern states;
- (c) to serve as a clearinghouse for the exchange of ideas concerning wildlife and fisheries management, research techniques, wildlife law enforcement, hunting and outdoor safety, and information and education;
- (d) and to encourage and assist sportsmen's and conservationists' organizations so that the fullest measure of cooperation may be secured from our citizenry in the protection, preservation, restoration and management of our fish and wildlife resources.

The Association met for the first time on October 28, 1934 in Des Moines, Iowa. At that time the group was known as the Association of Midwest Fish and Game Commissioners. The Association first received its non-profit status in 1968. The Association's name was changed to the Association of Midwest Fish and Wildlife Commissioners in 1972, to the Association of Midwest Fish and Wildlife Agencies in 1977, and to the Midwest Association of Fish and Wildlife Agencies in 2001.

ARTICLE I

OFFICERS

Section 1. The Officers of the Association shall be President, Vice-President, and Secretary/Treasurer. The President and Vice-President shall be the duly authorized voting representative of their member state or province and shall be selected on an alphabetical rotation basis, with the Vice-President being from the state or province next in order of rotation. The term of office shall commence thirty (30) days following adjournment of the Association of Fish and Wildlife Agencies' (AFWA) fall meeting and conclude thirty (30) days following adjournment of the succeeding fall AFWA meeting. The Vice-President shall automatically succeed to President if he/she remains eligible. The Secretary/Treasurer shall be elected by members and serve until replaced.

Section 2. The Board of Directors shall be composed of the elected officers, and one representative from each state and province except those represented by the elected officers. Such state or provincial Board member shall be the chief executive officer of the fish and wildlife agency of his/her state or province, or his/her designee. A Board member may, by written notification to the President, designate a voting proxy from the Board member's state or province. However, Executive Committee members may not designate a proxy for the conduct of Executive Committee business.

ARTICLE II

OTHER ASSOCIATION POSITIONS

Section 1. The Association shall also establish the position of "Executive Secretary." An Association member agency may provide an individual to serve in this capacity or the Association may contract with a member agency or an individual to fill the position. This is a nonvoting position.

Section 2. The Association may establish the position of "Recording Secretary." This is a nonvoting position.

ARTICLE III

MEMBERSHIP

Section 1. Membership shall be by states and provinces and representation of each state and province at meetings shall be by its duly authorized representative or representatives.

Section 2. The area of membership in the Association shall be the states of Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin, and the provinces of Manitoba, Saskatchewan and Ontario and such additional states and provinces as may request membership and be elected by majority vote of the member states and provinces in annual meeting.

Section 3. Membership in the Association of an individual shall terminate upon the expiration of the member's term of office as a state fish and wildlife administrator.

Section 4. Persons who cannot qualify for regular membership in the Association may be elected Honorary Members by unanimous vote of members.

Section 5. Other professional organizations may be granted affiliate membership in the Association based upon demonstration that the Constitution and Bylaws of said organizations meet the basic standards of the Association. Application for affiliate membership shall be forwarded to the President at least 90 days prior to a regular meeting of the Association and shall include a current Constitution and Bylaws and a letter stating the organization's justification for affiliate membership. Affiliate membership shall be voted on by the voting representatives and

must attain a majority vote of a quorum. Affiliated membership dues shall be \$75.00 per year; however, this fee may be waived by a majority vote of a quorum. The fee is automatically waived for affiliated conservation agencies or organizations that provide annual financial resources to support the Association through the following sponsorships: Major Sponsor (\$5,000 or more); Gold Sponsor (\$3,000-4,999); Silver Sponsor (\$2,000-2,999); Bronze Sponsor (\$1,000-1,999); and Sponsor (\$500-999).

ARTICLE IV

DUTIES OF OFFICERS and OTHER POSITIONS

Section 1. The President shall preside at all meetings of the Association, appoint all special committees, preside at meetings of the Board of Directors, and perform such other duties as are naturally incumbent upon the office. Copies of the annual proceedings shall be forwarded to each member in good standing, with the cost of preparation and handling to be paid out of Association funds. All other copies are for distribution at the discretion of the host state or province.

Section 2. The Vice-President shall perform the duties of the President in the latter's absence, and specific duties may be assigned as deemed necessary by the President.

Section 3. The Secretary/Treasurer shall keep a record of all transactions of the meetings of the Association, as well as meetings of the Board of Directors, shall notify members of the time and place of meetings and perform such other duties as are naturally incumbent upon the office. The Secretary/Treasurer shall be custodian of all funds of the Association and draw all warrants for the payment of claims properly presented. He/she shall bill the members and collect the annual dues. It is the intent of the Association that the costs of the annual meetings and related business functions, not to exceed \$2,500.00, may be paid by the Association.

Section 4. The Secretary/Treasurer shall be custodian of all permanent files and other assets of the Association.

Section 5. The Board of Directors shall conduct the business of the Association.

Section 6. The Executive Secretary shall perform the following services:

- (1) Function as the official "Executive Secretary" for the Association carrying out liaison services by keeping in communication via e-mail, mailings, phone contact and personal visits with member Directors, or their designated representatives, to enhance the viability of the Association.
- (2) Work to obtain direct involvement and commitment of member Directors and affiliate leaders to build strength in the Association as a leading force in the Midwest on behalf of fish and wildlife issues.

- (3) Assist the Executive Director of the Association of Fish and Wildlife Agencies in coordinating actions and communications relevant to the Midwest Association.
- (4) Respond to inquiries for information regarding the Association and to routine correspondence.
- (5) Develop and maintain a web site for the Association.
- (6) Carry out directives of the President and/or Executive Committee of the Association.
- (7) Provide such other services as may be mutually agreed upon by both parties.

Section 7. The Recording Secretary shall perform the following services:

- (1) Record and publish the annual proceedings of the Association.
- (2) Assist with the scheduling of meetings and conference calls and to record minutes as appropriate.
- (3) Assist other officers with correspondence, recording keeping and tax reporting.
- (4) Other duties as assigned by the President or the Secretary/Treasurer

ARTICLE V

MEETINGS

One regular meeting shall be held annually. The meeting will be held in and hosted by the state or province in which the outgoing President has administrative responsibility, or in such other locations designated by the Association. When necessary, special meetings may be called by the President. Members shall be given 180 days notice of regular annual meetings and special meetings may be called on ten days notice.

ARTICLE VI

VOTING

Voting shall be by states and provinces, as units. Each state and province shall have one vote. All voting shall be by voice vote, except that a request by any member state or province for a secret ballot shall be honored. Any matters of Association business requiring action in the interim between meetings may be handled by the Executive Committee, by majority vote.

ARTICLE VII

DUES

Annual Dues shall be \$300.00 per member state and \$100 per province, payable in advance, at, or before each annual meeting; provided, that annual dues may be suspended for any given year by a majority vote of a quorum.

ARTICLE VIII

FISCAL YEAR

The fiscal year of the Association shall be July 1 through June 30.

ARTICLE IX

QUORUM

A simple majority of all member states and provinces in good standing constitute a quorum.

ARTICLE X

AMENDMENT

The Constitution and Bylaws (Bylaws) of the Association may be amended at any regular meeting by a majority vote of a quorum; provided, however, a written copy of such proposed amendment shall have been received by the President and the Secretary/Treasurer and sent to members at least thirty days before the regular annual meeting or special meeting called for that purpose. Proposed Bylaws amendments should be presented to, or generated by, the Bylaws Committee and reviewed by the Executive Committee prior to submitting to voting members of the Association for their consideration. With approval of the Vice-President, the President may call for voting by mail (including electronic mail) in lieu of a meeting. In this event, the thirty day notice shall still apply, the date of opening ballots shall be previously announced, notice sent to each member within forty-eight hours of vote tabulation by the Secretary/Treasurer, and all ballots shall be kept for one year following the vote.

ARTICLE XI

TYPES OF COMMITTEES/BOARDS

Section 1. There shall be three kinds of committees: Standing, President's Ad Hoc, and Technical Working.

Section 2. The following Standing Committees shall be appointed by the incoming President within thirty (30) days after assuming office, they shall serve during the period intervening between annual meetings and at such meetings, or until the purpose of each such committee has been accomplished and it has been discharged by the President.

- A. The Executive Committee shall be composed of six members of the Association: The President, Vice President, Secretary/Treasurer, immediate Past President, and two other members to be appointed by the President with specific consideration for geographical balance. Any state or province represented on the Executive Committee by more than one individual shall be restricted to a single vote on this committee. The Executive Committee shall have general supervision of the affairs of the Association between its business meetings, make recommendations to the Association as necessary and shall perform such other duties as may be specified in these bylaws. The Executive Committee shall be subject to the orders of the Board of Directors and none of its acts shall conflict with action taken by the Board of Directors. Special meetings of the Executive Committee may be called by the President as necessary. The Executive Committee may also act via conference call or by mail (including electronic mail).
- B. The Auditing Committee shall be composed of three members: The Vice President of the Association, who shall act as chairman, and two other members to be appointed by the President. The Auditing Committee shall audit the financial records of the Association annually and report the result of its audit at the annual regular meeting.
- C. The Resolutions Committee shall be composed of three members, one of which shall be designated as Chairman by the President. Copies of proposed resolutions should be received by the President and the Secretary/Treasurer and sent to members for their consideration at least thirty days before the regular annual meeting. Courtesy resolutions and resolutions of a last minute nature may be recommended to the Board of Directors at the annual meeting. Furthermore, proposed resolutions for which an urgent need arises between annual meetings may be presented to the Board of Directors for consideration via mail (including electronic mail), provided members are given a thirty-day notice. Members shall be notified of the vote outcome by the Secretary/Treasurer within forty-eight hours of vote tabulation.
- D. The Awards Committee shall be composed of five members, one of which shall be designated as Chairman by the President. The Awards Committee shall administer the official awards program of the Association.
- E. The Bylaws Committee shall be composed of at least one member, designated by the President. The Bylaws Committee shall recommend Bylaws changes to the Executive Committee for consideration.
- F. The Investments Committee shall be composed of three members, one of which shall be the Secretary/Treasurer. The President shall designate one of the members as Chairman. The purpose of the committee is to review investments, including the Jaschek portfolio, and make recommendations to the Association per the investment policy statement.

- G. The Conservation Enhancement Fund shall be overseen by a Board of Directors. The Board of Directors shall be comprised of the Executive Committee plus one additional Association member appointed by the President. The purpose of the Fund shall be to support those activities of the Association which maintain and enhance the capability of all member states and provinces to develop and implement comprehensive fish and wildlife programs for game, nongame, endangered species and their habitats.

Section 3. Ad Hoc Committees may be established as deemed necessary by the President of the Association and shall serve until the purpose of each such committee has been accomplished and it has been discharged by the President.

Section 4. The Association may establish Technical Working Committees as deemed necessary to conduct the affairs of the Association. Upon establishment, these committees shall adhere to the following:

- A. Within one year from establishment, each committee shall submit to the Association for approval a Mission Statement, a list of specific responsibilities, and a description of operating procedures that will become part of the official minutes of the Association.
- B. All Technical Working Committees shall submit a written report electronically to the President and the Recording Secretary 30 days in advance of the annual meeting of the Association and may choose to conduct necessary committee business during the period between annual meetings as per their approved operating procedures.
- C. Each Technical Working Committee shall be automatically abolished by the first of August every three years unless reinstated by the Association. As the end of the third year approaches, the Association shall assess the merits of reinstating the Working Committee.
- D. Resolutions from Technical Working Committees for Association action shall be submitted to the Chair of the Resolutions Committee.

The Association recognizes the following Technical Working Committees (year of first automatic abolishment in parentheses):

Legal Committee (2008)
National Conservation Need (NCN) Committee (2008)
Midwest Pheasant Study Group (2009)
Midwest Private Lands Wildlife Management Group (2009)
Midwest Public Lands Technical Working Committee (2010)
Midwest Wildlife and Fish Health Committee (2010)
Midwest Deer and Wild Turkey Study Group (2011)
Association of Midwest Fish and Game Law Enforcement Officers (2011)
Midwest Furbearer Group (2012)
Wildlife Action Plan Technical Working Committee (2012)

ARTICLE XII

PARLIAMENTARY AUTHORITY

The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern the Association in all cases to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order the Association may adopt.
