**69<sup>TH</sup> ANNUAL MAFWA DIRECTORS MEETING**  
**July 14 - 16, 2002**  
**Springfield, Missouri**

The Midwest Private Land Wildlife Management Group (Group) report was presented during the Directors business meeting, shortly after 9 AM on July 16, 2002.

Bill McGuire, Chair of the Group, presented the report and discussion of the report and recommendations ensued:

The Directors conveyed:

- ☐ Appreciation of the efforts of the Group, particularly in regard to Farm Bill over the last year.
- ☐ Support for the importance and continuation of the Group, as it functions.
- ☐ The offer that finances associated with the annual Group meeting could be handled through MAFWA.

A motion was made to accept the Group report as written, including the recommendations and attachments.

Discussion followed on one aspect of the draft letter attachment regarding the letter to IAFWA that concerned continuation of the Farm Bill point-person. Notably, that wording should be added to the letter to indicate that the MAFWA Directors would be willing to explore, with the other Associations, continued funding of the position.

Agreement was then reached to add such wording to the Farm Bill point-person letter (by 'friendly amendment'), there was a second on the original motion, as amended, and the vote was a unanimous 'yea' to accept.
